Middle and high schools have access to over 12,000 video resources, primary sources, historical footage, images, mini-documentaries and text resources designed for use in the 7-12 classroom. Content is updated daily with the latest current events and human-interest stories from around the world; an interactive Cue Card media player makes downloading, annotating and citing resources easy! (Elementary access available for an additional fee)

**PBS LearningMedia™**  
*pbslearningmedia.org*

PBS LearningMedia provides PreK-12 educators with access to free digital content and professional development opportunities designed to improve teacher effectiveness and student achievement. PBS LearningMedia was developed in partnership with the WGBH Educational Foundation and is offered locally by 155 PBS licensees, representing 356 stations in 55 U.S. states and territories.

*Soundzaboutound provides a wide variety of royalty-free music and audio themes that ensure copyright safety. Music can be used in presentations, podcasts, digital storytelling, TV broadcasts and much more!*

K-12 access to 100,000+ streaming videos, images and audio clips. Includes many clips under five minutes in length! Learn360 also has an Assignment & Quiz Creation Tool. Videos are from sources such as A&E, History Channel, Bio, BBC and many others. Lots of great resources for LOTE, FACS and Character Education.
